**Teachings by  
Ven. Khenpo Chenyang  
from 7<sup>th</sup> to 15<sup>th</sup> July 2018**

**To follow these teachings it is imperative to have previously received  
the major initiation of Vajrayogini  
from His Holiness Kyabgön Gongma Sakya Trichen Rinpoche,  
His Holiness Sakya Trizin Rinpoche or other masters.**

## **Teacher:**

Khenpo Chenyang comes originally from the main monastery of Sakya in Tibet, where he received many teachings in philosophy, assimilated at the same time all the Sakya rituals such as those of Vajrakilaya, Vairocana, Mahakala, etc., and passed all the examinations. He received the initiations and teachings of Lamdre, Vajrayogini, and many others several times. In 1992, he moved to India and continued his studies at Sakya College, graduating as Kapchu and Lopön. A great scholar, he taught philosophy for several years at the same college, one of the most renowned institutes of philosophy in the Sakya tradition. In 2005, he was appointed secretary of Dolma Phodrang's office. He is now also the private tutor of Jetsunma Kunga Trinley Palter Sakya, eldest daughter of H.H. Kyabgön Gongma Sakya Trizin Rinpoche. He continues to receive the precious teachings and initiations of Their Holinesses Kyabgön Gongma Sakya Trichen Rinpoche and Kyabgön Gongma Sakya Trizin Rinpoche, and also teaches in various Sakya centres in Asia and Europe.

## **Event location:**

## **Program:**

**Teachings on Vajrayogini - The processes of creation and completion** (tib.: *kyerim/tsogrim*)

Sun. 8.7. - Sat. 14.7.	09.30-12.00 / 14.30 - 17.00	Teachings on Vajrayogini
Sun. 15.7.	10.00 - 11.00	16 Arhats Ritual

(It's very auspicious that the Vajrayogini teachings start on Sunday 8<sup>th</sup> July, which is a Dakini day, it's the 25<sup>th</sup> day of the lunar calendar).

*This schedule might be subject to change.*

The practice of Vajrayogini belongs to the Anuttarayogatantra, the highest class of tantras. This practice is considered particularly effective because it integrates the essential points of the creation and completion processes in a simple, direct and complete way. In the past the members of Sakya Tsechen Ling had the great opportunity to receive initiation and teachings about Vajrayogini from H.H. Kyabgön Gongma Sakya Trichen Rinpoche, H.H. Jigdal Dagchen Rinpoche and Khenchen Sherab G. Amipa Rinpoche. Exploring these profound teachings with Khenpo Chenyang is particularly appropriate, also for the following Vajrayogini summer-retreat in our Institute.
